

Class-X Civics Political Parties

Why do we need political parties?

※ Most visible institutions in a democracy 😞??

→ Evolution of political parties over the period of hundred years

“A political party is a group of people who come together to Contest elections and hold power in the government”

※ A political party has three Components:

- The leaders.
- The active members.
- The followers.

Partisanship 😞??

• Feeling of Commitment toward party, group or faction

Class-X Civics Political Parties

Functions of Political Parties

- * Political Parties Contest elections. → [Candidates]
- * Parties put forward different policies and programmes.
 - Different opinions → Party opinion → Government takes decisions on line of Ruling Party.
- * Parties play a decisive role in making laws for a Country. [Direction of Party leadership].
- * Parties form and run government → [Ministers, Prime Minister]
- * Parties play the role of opposition → [keeps a check on the working of government]
- * Parties shape public opinion → [Lakhs of Members] [Opinions based on Party's Stand]
- * Access to government machinery and welfare schemes.
 - Ordinary Citizen → Can easily reach local leaders → Gateway to reach programmes.

Class-X Civics Political Parties

Necessity of Political Parties??

※ Imagine a situation without political parties.

→ Independent Candidates 😞

- No uniform decision
- No Major decision
- accountability would be limited to Constituency only.
- No one would be responsible to look after the Country.

※ Representative democracies

→ Large Societies → Need representation

↓
Represented through
Political Parties

※ Different views/opinions of Society can be expressed through single agency.

※ Responsible government could be formed.

Class-X Civics Political Parties

How many parties should we have?

※ Citizens/Groups are free to form political parties → [More than 750 Political Parties are registered with EC of India.]

→ But not all are serious contenders 😞 ??

※ One-party System.

→ One party is allowed to control and run the government. [China → Communist Party]
→ It is not a democratic option.

※ Two-Party System

→ Chances of winning is between two main parties [US and UK].

※ Multi-Party System

→ More than two parties compete for power.
→ Coalition government is observed.
→ NDA, UPA and Left front [India]

※ So, which of these systems is best?

→ This is not a very good question. 😞 ??
• No system is ideal for all countries and all situations.

※ Party system for a country evolves over a period of time depending on the nature of society, its social and religious division, its political history.

Class-X Civics Political Parties

National Parties

※ Country wide parties → National Parties

→ These Parties have their units in various states → Works broadly on National lines.

→ Required to register with the election Commission

It offers some special facilities to large and established parties.

※ Given a unique symbol

※ Recognised political parties.

※ According to these proportion of votes and Seats there were seven national parties in the country in 2017.

Criteria for recognised party.

• 6% of votes in Lok Sabha election

or

6% of votes in Assembly elections in four states.

and

• Wins at least 4 Seats in Lok Sabha elections.

Class-X Civics Political Parties

Bharatiya Janata Party [BJP]

✱ Founded in 1980 → Reviving Bharatiya Jan Sangh Formed by Syama prasad M. [1951]

- ※ Presence in M.P, Chhattisgarh, Uttarakhand, Delhi and Punjab.

Class-X Civics Political Parties

State Parties

※ Other than national parties many parties are classified as "State Parties".

※ Also known as 'Regional parties'

※ Making Indian Parliament diverse.

→ Vote proportion and seats to be recognised as a state party.

※ 6% votes in
state legislative
Assembly.

and
※ Wins atleast 2 seats.

※ Regional in outlook but plays a very important role in national politics. ☹️??

→ National Parties are Compelled to form alliances with state parties.
→ Strengthening of federalism and Democracy.

Parties ÷ Samajwadi party, Rashtriya Janta Dal, Shiv Sena, Telugu Desam party.

Class-X Civics Political Parties

Challenges to Political Parties?

❖ lack of Internal democracy

- Concentration of power in one or few top leaders. → Decisions are taken by them only.
- No Organisational meetings, Internal election and power to ordinary members.
- Personal loyalty becomes more important.

❖ Challenge of dynastic Succession

- Family domination on top positions.
- People with less experience or popular support come to occupy positions of Power.

❖ Money and muscle power.

- Use of short-cuts to win elections 😊??
[Candidates with money, Criminal record are given priority]
- Corporate + Politics = Matter of Concern.

❖ Lack of Meaningful Choice.

- No Significant difference among the political parties in terms plans and policies.
- Fundamental principals remains same.
- Ex: Labour party and Conservative party In Britain.

Class X Civics Political Parties

How Can Parties be reformed?

✧ Reform v/s Willingness to reform

✧ Efforts and Suggestions to reform political parties:

→ Constitutional amendment → to Stop MLAs and MPs from Defection.

→ Candidates are required to file an Affidavit → To Reduce money and muscle power.

→ Election Commission → Mandatory for political parties to hold their organisational elections and file their income tax returns

→ Law to regulate internal affairs should be made.		→ Minimum number of ticket should be given to women.		→ There should be state funding of elections.
--	--	--	--	---

→ Role of People [Petition, Publicity and agitations], Active involvement of those who wants the reform.
